Homage to Youth . .

The young man of today seems to reach manhood and a stage of physical magnificence earlier than his forebear and to remain a young Adonis for much longer. This says much, not only for modern living and the scientific approach to food and work, but also to his avid keen-ness to improve his body in the same enthusiastic way that we have always considered it necessary to build our mental character. Thus the youth of today not only looks and feels younger and fitter, but is by that token, the better for it. . . .and to these, the guardians of our golden age, we pay homage.

Adonis No. 10 September 1960
Published bi-monthly by Male Classics, 266 Fulham Rd., London, W.1., England.
Printed by D. H. Greaves Ltd., Scarborough, England
Distributed in U.K. by Award Publications Ltd., 102 Parkway, London, N.W.1.

J-Rome's "sex-appeal" winner

J-ROME'S exciting contest to determine just what makes for "sex appeal" in a photo (see June issue of ADONIS) has at last arrived at a winner.

Our top contestant selected the photograph shown on the opposite page.....which, incidentally, was the majority choice also.

Reading and evaluating the letters which poured in has been an interesting and instructive experience, and our judges pondered long and hard before arriving at their final choice. For personal reasons our winner wishes to remain anonymous, but we can mention that he lives in Highland, Illinois, U.S.A.

As his prize for winning our contest he has selected and received the J.ROME original 23 x 30 charcoal drawing shown below, entitled "S.O.S."

J-ROME wishes to thank all the hundreds who participated in this poll to determine what makes a picture exciting, and extends a special vote of thanks to ADONIS MAGAZINE for their wholehearted co-operation. For new and exciting ideas every time, look to J-ROME.....appearing in ADONIS and BODY BEAUTIFUL. See Page 59 for ad.
